Magnifying Table Lamp

Lens strength: 3 + 12 Diopter | 6500 | 6 W | 400 lm | White

Brand: Nedis | Article number: MAGLE1WT | Product EAN number: 5412810455591
Inner Carton EAN: | Outer Carton EAN: 5412810475049

This Nedis magnifying table lamp is a perfect addition to any desk, ideal for detailed tasks around the home, in the workshop, or at the office. The SMD-LEDs are arranged in a circular pattern around the 90 mm lens, providing uniform illumination of your workspace with a cool white day light.

The arm of the magnifying lamp offers flexibility to position the lamp head according to your specific requirements. The lamp arm can be tilted vertically downwards, while the lamp head can swivel horizontally as well vertically or be positioned upright. The lamp stands on a sturdy base.

A lens cover protects the lens from dust, dirt, and sunlight when not in use, reducing the risk of the lens acting like a magnifying glass and causing damage.

Features

- Magnifying table lamp with a 90 mm diameter SMD LED ring
- Offering daylight-balanced lighting (6500 °K)
- Glass lens with 3+12 diopters and 1.75x magnification
- Hinged protective cap – to protect the lens when it is out of use
- Vertical tilt functionality - allows vertical tilting or positioning of the lamp head
- Horizontal swivel lamp head to left and right position
- Sturdy base with non-slip rubber pads, ensuring a secure position at the table
